“...the future of Atonement”

Bob and Nyla Dempsey

Nyla and I were blessed to be members of Atonement for 40 years. For much of that time we saw the Endowment Fund as an investment in the future of Atonement, so we contributed periodically when we were especially thankful. When Nyla passed, it seemed appropriate to ask that any memorials go to the Endowment Fund, and there were quite a few that did, for which I am grateful. When I die, I have arranged for a bequest to the Fund, and I plan to have any memorials also go there. There is no better way to assure the future of Atonement.

—Bob Dempsey

As we give generously to the Endowment Fund, we are sowing “seeds” to support Atonement’s future growth in God’s service.
