

Atonement Lutheran School

“Teaching children of God the skills needed for a lifetime of learning, worshipping, and caring so that the world sees Jesus in them.”

Dear Atonement Family,

Hello, my name is Becca Gardner, and I am the new principal. This is my third year at Atonement Lutheran School, and my first year as principal. Previously, I had been in the classroom for nine years; seven of those years at Tower Grove Christian Academy and two at Atonement. I have taught middle school, grades 6-8, as well as fourth grade. I hold a Bachelors in Science in Education and a Masters in Educational Administration from Missouri Baptist University. I am excited to continue serving in a different role at Atonement.

Over the years, I have come to realize that supporting and serving teachers and families has become a passion of mine. This passion was instilled in me by the Creator, and I am forever grateful for that. A major part of this passion is communication. I believe that consistent, effective, and frequent communication between home and school can make all the difference. My prayer is that this letter is the foundation to a great deal of communication between us. We will discuss school climate, events, future endeavors, along with so much more. Most importantly, we will connect and partner with one another in supporting your child's learning.

I believe this is going to be a great year! My prayer is to glorify God in all that we do this year and I believe we can do that! Please join us in prayer all year for your child and his/her fellow classmates, the staff here at Atonement, and the school community. It is a privilege and honor to have the opportunity to serve, and I am thankful for all your support.

For His glory and by His grace,

Becca Gardner
