Lutheran Church of the Atonement

Jan. 11, 2026

Are you rested? Re-invigorated? I hope so!

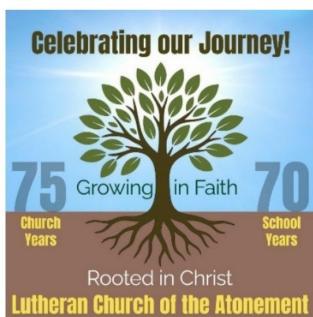

Before I remind you of what's to come, let's review what we've done - because it's a LOT! We implemented a restructuring plan for our school, established the Atonement Early Learning Center, started work on our Strategic Plan, created a team to manage third-source funding efforts, proposed revisions to our Constitution, and started celebrating our two anniversaries. That's *on top of* the "business as usual" things handled by our teams and standing committees. That has all been possible because of your energy, support, and commitment to serve.

Exciting things are still to come! At our May 17, 2026, congregation meeting, we plan to approve the proposed Constitution changes and elect a Call Committee. The Call Committee can quickly begin its work if we've also completed our Strategic Plan and Ministry Site Profile. While some of that work is "behind the scenes," the substance relies on your thoughtful participation.

We'll also continue stabilizing our financial position by building long-term relationships with foundations and other funding sources. Even as this work continues, we've applied for three grants which, if approved, will positively impact this and future fiscal years. You have also been generous as, by mid-December, we received unexpected gifts totaling \$120,000, and an additional \$15,000 as part of the Matching Gift Program.

So, off we go! Let's focus our energy on this important work. Let's encourage each other, participate, and contribute our unique talents and treasure to complete the work God's calling us to do.
